The local folk of Waipu have long known they were on to a good thing.

The Scottish settlers, having literally travelled the globe looking for a bountiful home, knew they'd found paradise right here when sailing into Bream Bay in 1854.

Waipu is blessed with the best of both land and sea. A blessing the rest of the world is now beginning to discover.

Here at McLeod's Pizza Barn, we make every effort to carry on those fine Scottish pioneering traditions of old time quality, good value and a welcoming country atmosphere. Sláinte Mhath.
